

VIDHI CONSULTANCY

WE GUIDING CERTIFICATION JOURNEYS

WWW.VIDHICONSULTANCY.COM

COMPANY INTRODUCTION

Vidhi Consultancy is a premier management-consulting and corporate training consortium headquartered in Ahmedabad, India. We specialize in delivering world-class System Certifications, Product Certifications, medical and IVD device regulatory consultancy and Corporate Trainings designed to elevate organizations to their highest standards of excellence. Combining deep industry insight, decades of cumulative experience, and a steadfast commitment to integrity, we help clients across sectors not only meet international benchmarks but exceed them.

Vidhi Consultancy owes a big part of its success to the ever-expanding team of professionals which currently staffs 15+ professionals including management leaders, technical experts, technical writers, subject experts, trainers, and lead auditors.

Our services are in diversified dimensions to cater to manufacturing and service organizations. Vidhi Consultancy also has associations with some of the top professionals for sharing technical expertise in different areas. These individuals have revolutionized the concept of providing quality services.

VISION & MISSION

VISION

To be the globally revered partner in guiding organisations toward sustainable excellence – where quality, safety, and ethical operations are intrinsic to every process.

MISSION

- 01** To empower businesses through robust certification & training solutions that enable compliance, continuous improvement, and competitive advantage.
- 02** To build lasting partnerships rooted in trust, technical mastery, and adaptive innovation.
- 03** To nurture talent, ensuring our consultants and trainers are always at the forefront of global standards.

VIDHI CONSULTANCY

MANAGING DIRECTOR

KEVIN SHRIMALI

Managing Director

at vidhi consultancy

“ In an era of rapid change, the only constants are quality and integrity. At Vidhi Consultancy, we believe that achieving global standards is more than compliance: it is a journey of transformation. Our mission is to guide organizations with precision, passion, and purpose ensuring that each step forward strengthens their foundation and fuels sustainable growth. ”

VIDHI CONSULTANCY

CHIEF EXECUTIVE OFFICER

VIDHI SHRIMALI

Chief Executive Officer

at vidhi consultancy

“ Our aim is to redefine what is possible for every enterprise we serve. Through bespoke training, rigorous auditing, and holistic consulting, we set our sights not only on certification but on fostering cultures of excellence, compliance, and continuous improvement. Your vision becomes our commitment. ”
